### CEI Staff Donate Food to Local Outreach Groups

Over the last few weeks, CEI offices have been collecting non-perishable food items and toiletries for our local food banks in New Hampshire and Massachusetts. This year, we donated food and items to the New Horizons Food Pantry in Manchester, NH and the Worcester County Food Bank in Shrewsbury, MA. These organizations rely largely upon donated food and items from businesses, schools, supermarkets and individuals.

All donations were greatly appreciated by these organizations and we are happy to help support our community in this way. To learn more about these worthy organizations, please see:

We thank our CEI staff who once again generously donated to this great cause.
