NEWWA Joint Monthly Meeting

Comprehensive Environmental Inc.'s own Kristen Berger, P.E., ENV SP, Project Manager from our Marlborough, MA office and Donald L. Ware, P.E., Chief Operating Officer from the Pennichuck Corporation located in Merrimack, NH co-moderated at the New England Water Works Association (NEWWA) and New Hampshire Water Works Association (NHWWA) Joint Monthly Meeting and Exhibitor Displays on January 16, 2014 at the Redhook Brewery in Portsmouth, NH.

The meeting was attended by approximately 90 drinking water professionals. Technical presentations included topics on New Hampshire drinking water legislation update; NH's water infrastructure sustainable funding commission: findings, recommendations and future action; DES Great Bay nitrogen non-point source study; contingency planning; and water audits.

For more information, please contact Kristen Berger at 800-725-2550 or kberger@ceiengineers.com.
