CEI Staff Help Local Students Start Off the New School Year

CEI recently teamed with the local Boys and Girls Club of America and the Salvation Army – Kids Café to collect school supplies for students needing assistance to start the new school year. CEI staff donated overflowing boxes of notebooks, backpacks, crayons, pens/pencils, folders and many other needed supplies. Both organizations will distribute these materials to students who need help fulfilling their school supply list for the upcoming school year.

CEI congratulates their staff who generously donated hundreds of items to this great cause.
