Three CEI Projects Nominated for ACEC Award

Three of CEI's Engineering Projects have recently been nominated for the 2010 American Council of Engineering Companies of New Hampshire Engineering Excellence Award.

The following exemplary projects were all completed by CEI in NH and include:

- Nutt's Pond Stormwater Restoration Project, Manchester, NH
Completed for City of Manchester Public Works Environmental Protection Division
- Pennichuck Water Works – Watershed Restoration Plan, Multi-Town
Completed for Pennichuck Water Works
- NH Stormwater Manuals, Statewide
Completed for NH Department of Environmental Services

These projects epitomize CEI's commitment to NH water resources and assisting in providing clean water for drinking and recreational uses for NH residents well into the future.
