

Local Students Get Head Start with CEI's Help

For the second year in a row, CEI teamed with the local Boys and Girls Club of America and the Salvation Army – Kids Café to collect school supplies for students needing assistance to start the new school year. With overflowing boxes of much needed school supplies, CEI staff donated new notebooks, backpacks, crayons, pens/pencils, folders and many other essential supplies to branches in Massachusetts and New Hampshire. Both organizations will distribute these materials to students who need help fulfilling their school supply list for the upcoming school year so they can start the year off right.

CEI congratulates their staff who once again generously donated hundreds of items to this great cause.
