Community Giving

CEI Staff Supports Local Animal Shelters

CEI recognizes that our four-legged friends are in need of care, food and supplies so we have recently donated to our local animal shelters as part of our quarterly giving program. Over the last few weeks, CEI staff donated pet food and products to animal shelters and rescue leagues in New Hampshire and Massachusetts.

Our donations went to the Manchester Animal Shelter in NH and the Worcester Animal Rescue League in MA. Because they are private, non-profit organizations, donations of money, time, supplies, homes, and love are vital to their cause and the lives of the animals they care for! They depend on the support and generosity of the community, and are always grateful for anything they receive to help care for sick, injured, and homeless animals.

To learn more about these worthy organizations, please see:

Manchester Animal Shelter: <http://www.manchesteranimalshelter.org>

Worcester Animal Rescue League: <http://worcesterarl.org>

We thank our staff who once again generously donated to this worthy cause.
