### CEI Help Local Students Get Head Start on School Year

For several years CEI staff have collected boxes of school supplies for students needing assistance to start the new school year. With overflowing boxes of much needed school supplies again this year, CEI staff donated new notebooks, backpacks, crayons, folders, pens/pencils and many other essential supplies to the Boys and Girls Club/YMCA of Nashua, NH and the Boys and Girls Club of Marlborough, MA. Both organizations will distribute these materials to students who need help fulfilling their school supply list for the upcoming school year so they can start the year off right.

We thank our CEI staff who once again generously donated hundreds of items to this great cause.
