

## GETTING TO KNOW CEI – KRISTEN BERGER

### Kristen Berger, P.E., ENV SP

**KRISTEN IS A CEI PRINCIPAL ENGINEER WITH 15+ YEARS OF ENGINEERING EXPERIENCE**

Kristen is a Registered Professional Engineer and Certified Envision Sustainability Professional with over 15 years of experience specializing in water, stormwater and wastewater. Ms. Berger has expertise in the evaluation and design of sewer collection systems, pumping facilities, water distribution, storage, treatment facilities and stormwater management. She is a Certified MA Grade 4T OIT Drinking Water Facility Operator and is an active member on a number of water works professional association committees.

Kristen has a Bachelor's Degree in Civil Engineering and a Master's Degree in Environmental Engineering from the University of Massachusetts Amherst, where she studied under the leadership of internationally recognized water experts. She enjoys hiking, snowshoeing, home improvement, knitting and gardening. She and her house were once featured on an episode of "Ask this Old House."

Senior Engineer for a water quality and total coliform investigation involving complex hydraulic computer modeling.

Senior Engineer for design and construction of a 3 mgd iron and manganese removal water treatment facility.

Senior Engineer for the completion of an infiltration and inflow study for a 180 mile sanitary sewer collection system.
