

CEI Honored at *Breakfast with the Best*

CEI was recently honored by Business NH Magazine and NH Governor John Lynch at the annual *Breakfast with the Best* event in Manchester, NH as a top 5 small business to work for in NH. This annual event offers panel discussions with the executive leadership of the winning companies that focus on their best practices. Discussion areas included company culture, communicating with employees, workforce development, unique benefits, giving back to employees and the community, recognizing employee achievements, and having fun at work. CEI President, Eileen Pannetier fielded many questions from attendees as she served on the Work-Life Balance panel of speakers. The awards committee highlighted CEI's employee ownership; flexible, family-friendly schedule; employee events and benefits and CEI's distinct philosophy that draws and retains employees.
