
CEI Employee Recognition

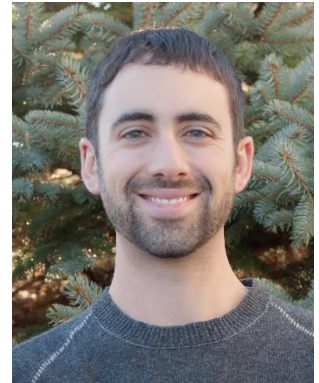

Comprehensive Environmental, Inc. (CEI), a leading civil engineering and environmental services firm, announces that Kristen Berger, P.E., ENV SP of CEI's Marlborough, Massachusetts office and Nicholas Cristofori, P.E. of CEI's Merrimack, New Hampshire office, have been promoted to Principal ownership positions with CEI.

A Registered Professional Engineer and Senior Water Resources Engineer, Berger has over 12 years of engineering experience helping to lead CEI's water supply division in the New England region. She has a Bachelor of Science in Civil Engineering and Master's Degree in Environmental Engineering from the University of Massachusetts, Amherst.

Nick Cristofori is a Registered Professional Engineer with nearly 10 years of engineering experience. He is a site design and stormwater specialist at CEI, working with municipal, state and Federal agencies on sustainable engineering projects. He has a Bachelor of Science in Civil Engineering and Master's Degree in Business Administration from the University of Rhode Island.

Additionally, Principal Water Resources Engineer Michael Ohl, P.E., CFM was recognized with additional firm ownership for his outstanding efforts throughout 2014.

Berger and Cristofori join CEI's existing Principals: Eileen Pannetier, Richard Cote, P.E., LSP, Matthew Lundsted, P.E., CFM, Rebecca Balke, P.E., Michael Ohl, P.E., CFM, Stephanie Hanson and Benjamin Lundsted, P.E.

CEI is a 100% employee owned civil engineering and environmental services firm serving the Eastern U.S. with offices in Massachusetts, New Hampshire, Connecticut and Maryland.
