## CEI Continues MassDOT Services in 2016

Since 2006 CEI has been working with the Massachusetts Department of Transportation (MassDOT) to provide consulting engineering services on various projects throughout the Commonwealth. Having successfully completed projects that have included stormwater BMP design, regulatory review, statewide guidance development, and water resource consulting, CEI

is pleased to have been awarded a new contract by MassDOT for Statewide Stormwater and Water Resources Technical Support. Under this on-call services contract, CEI will continue to provide professional technical support to the Department's Environmental Division over the next several years.

CEI is a civil engineering and environmental consulting firm that provides services to Federal, state, municipal and private clients throughout the Eastern U.S.

For more information on CEI's transportation related services please contact CEI Principal Engineer Matt Lundsted, P.E., CFM at 800.725.2550 or [mlundsted@ceiengineers.com](mailto:mlundsted@ceiengineers.com).
