CEI Launches EagleEye Aerobotics™

CEI is pleased to announce the official launch of EagleEye Aerobotics™ – Environmental & Engineering Services Using sUAV Platforms. This new service combines the use of customized real time imagery with CEI's engineering and scientific expertise to provide superior access, timely site reviews and increased data precision.

CEI's EagleEye Aerobotics™ in-house pilots are certified by the Federal Aviation Administration (FAA) and fully insured for sUAS flights wherever you need them. Our pilots also are trained civil/environmental engineers or environmental scientists with the knowledge to help your projects succeed.

Check out this new service at www.eagleeyeaerobotics.com and contact CEI today see how EagleEye Aerobotics™ can save you time and budget while serving your engineering and environmental needs.

CEI is an award winning civil and environmental engineering firm incorporated in 1987 serving the U.S Northeast.
