CEI Supports OARS

CEI once again sponsored the OARS 9th Annual Wild & Scenic Film Festival held on March 29th at the Maynard Fine Arts Theatre Place in Maynard, MA where a selection of 2017 award-winning films from the nation's largest environmental film festival were brought to the community.

OARS is a non-profit organization whose mission is to protect, preserve, and enhance the natural and recreational features of the Assabet, Sudbury, and Concord Rivers, their tributaries and watersheds, and to increase public awareness of the rivers' values as important natural resources.
