Best Firm to Work For 2017 Honors

Comprehensive Environmental Inc. (CEI) is proud to announce our national ranking by the Zweig White Group as a Best Firm to Work For in both the Civil Engineering and Environmental Services categories for 2017. For the 8th consecutive year CEI has been honored with this distinction and is one of the only New England firms to be ranked in both categories.

Insights from employees are compiled and given scores to determine the Top Firms. They are recognized for their outstanding workplace atmosphere, teamwork, benefits packages, amenities and culture.

CEI would like to give a big thank you to our staff, clients and many supporters for making it possible for us to win these prestigious awards.

CEI has been providing civil engineering and environmental consulting services to federal, state and municipal agencies and private industries throughout the Northeast for 30 years.
