CEI Donates School Supplies for the Upcoming 2014 School Year

For several years, CEI staff has collected boxes of school supplies for students needing assistance to start the new school year. With overflowing boxes of much needed school supplies again this year, CEI staff donated new notebooks, backpacks, crayons, folders, pens/pencils and many other essential supplies to the Boys and Girls Club of Manchester, NH and the Boys and Girls Club of Marlborough, MA.

Both organizations distributed these materials to students who need help fulfilling their school supply lists for the upcoming school year so they can start the year off right. We thank our CEI staff who once again generously donated hundreds of items to this worthy cause.
